

the National Welfare to Work partnership. United alone has hired nearly 2,000 people from the welfare rolls to work in productive jobs, and he inspired thousands of other companies to do the same. Mr. Greenwald has expanded the United Foundation to support more than 300 charitable organizations and programs around the world, focusing on education, health and community partnerships. And he has personally been involved in these initiatives rather than just leading them; that is an important distinction in today's world.

Throughout his time with United, Mr. Greenwald has been a consistently accessible and responsive partner to those of us in Congress concerned with aviation issues. We have worked together with Mr. Greenwald to tackle complicated issues that affect the interests of the entire nation: airline competitiveness, access for US carriers to global aviation markets, air traffic control reform, taxes, and yes, even customer service. Although we have not always agreed, we have always communicated.

So as Jerry Greenwald pulls "wheels up" and flies off to a fresh attempt at retirement, I ask my colleagues to join me in wishing him well.

A TRIBUTE TO SHARON AWE ON HER RETIREMENT FROM TEACHING AT SOUTH MILWAUKEE HIGH SCHOOL

HON. GERALD D. KLECZKA

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 20, 1999

Mr. KLECZKA. Mr. Speaker, I rise today to honor Sharon Awe, South Milwaukee High School's (SMHS) Director of Bands, who is retiring after 34½ years of dedicated service to her students and to the community.

Ms. Awe has shared her love for music with thousands of students during her career at SMHS. She inspired some to make music their careers, but her gift to all her students was a solid foundation of a lifetime appreciation for music and the arts.

In more than 34 years of teaching, Sharon has been the driving force behind the South Milwaukee Rocket Band, and she will be sorely missed. And her dedication to her students and the music program did not end at the finish of each school term. For the past 25 summers, Sharon Awe and her band have participated in countless parades and competitions throughout the United States. South Milwaukee High School has a band room stuffed with awards and trophies, and has received a myriad of honors. Sharon and her students have proudly represented the State of Wisconsin at events such as Disney Music Days, the 1989 Gator Bowl, and even the 1996 Independence Day Celebration in Washington, D.C.

But what Ms. Awe gave her students was much more important than a room full of trophies. She instilled in them a sense of accomplishment, discipline, and pride, and afforded them the opportunity for new experiences, camaraderie and memories they will treasure for a lifetime.

And so it is with mixed emotions that I extend my congratulations to Ms. Awe on her well deserved retirement. The Rocket Band won't quite be the same without her striding proudly alongside it on the parade route. But I thank her for the enormous impact she has made on the lives of so many young people, and I wish her the very best for a happy and fulfilling retirement.

IN SPECIAL TRIBUTE TO MERLE F. BRADY FOR HIS OUTSTANDING SERVICE TO THE VAN WERT COMMUNITY

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 20, 1999

Mr. GILLMOR. Mr. Speaker, it is with a great deal of pleasure that I rise today to pay special tribute to a truly outstanding individual from Ohio's Fifth Congressional District. This Saturday evening, July 24, 1999, members of the Van Wert, Ohio community will gather to recognize the efforts of Merle F. Brady.

Merle Brady was born in Illinois in 1919, but has lived in Van Wert for more than fifty years. During those years, Merle Brady has been a true asset to the community and a friend and neighbor to all those who know him. A successful business man, Merle owned his own retail clothing store for many years, while operating a successful real estate business. For many years, he was Chairman of the Board of the Van Wert National Bank, and still serves as Director Emeritus.

A true American hero, Merle served bravely in the United States military in World War II where he received the American Theater Ribbon, the Good Conduct Medal, and the WWII Victory Medal. He is a life member of the American Legion, and has served as Post Commander, District Commander, Ohio State Commander, and National American Legion Executive Committeeman. Merle is still active in his American Legion Post.

Mr. Speaker, Merle Brady's service to the Van Wert community is endless. He was elected to the Van Wert City Council, and served two terms as Council President. Merle has been an active member of the Van Wert Chamber of Commerce, Lions Club, Masonic Lodge, Elks, and the Trinity United Methodist Church. Merle has also given freely of his time and energy to the Van Wert Y.M.C.A. and Associated Charities Foundation.

Mr. Speaker, it is often said that America prospers due to the outstanding deeds of her citizens. Without question, Merle F. Brady epitomizes that saying. Mr. Speaker, I would urge my colleagues to stand and join me in paying special tribute to Merle F. Brady. Thank you for your unwavering contributions to the Van Wert area, and best wishes for the future.

COMMEMORATING THE 30TH ANNIVERSARY OF THE APOLLO 11 MOON LANDING

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 20, 1999

Mr. GORDON. Mr. Speaker, July 20th marks the 30th anniversary of Apollo 11's landing on the moon. This historic achievement was born of the Cold War rivalry between the United States and the Soviet Union. President Kennedy saw the moon race as a means of demonstrating American technological superiority at a time when the Soviets were garnering all of the "firsts" in space exploration. It was a bold initiative that required the skills and teamwork of tens of thousands of people if it was to succeed. It is to their everlasting credit that the Apollo program succeeded beyond all expectations.

Astronauts Neil Armstrong, "Buzz" Aldrin, and Michael Collins were the emissaries of all of those hardworking Americans when they set off for the moon three decades ago. Yet when Neil Armstrong stepped foot on the Moon for the first time, he represented more than just America—he represented all of humanity. His footsteps marked the realization of a dream that had captivated the minds of countless generations through the ages.

In addition, Apollo was an undertaking that stimulated advances in science and technology. It inspired a generation of students to pursue education in math and science. And the images that the Apollo astronauts took of the bluish-white Earth floating in the black void of space profoundly changed our perspective on global concerns such as the environment.

Of course, the Apollo program was a unique undertaking that cannot be replicated. Indeed, the Cold War that spawned Apollo is over, and we now are cooperating rather than competing in space exploration with our former adversaries. Moreover, many of our space activities are now focused on directly benefiting our citizens here on Earth—whether through meteorological satellites, communications satellites, navigation satellites, and so forth.

Yet I am confident that one day we will return to the moon, as well as venture to other parts of our solar system. When we do, we will be in the debt of all those who blazed the trail for us thirty years ago with the Apollo program.

NIH OFFICE OF AUTOIMMUNE DISEASES ACT OF 1999

HON. HENRY A. WAXMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 20, 1999

Mr. WAXMAN. Mr. Speaker, I am pleased to join with Congresswoman MORELLA in introducing the "NIH Office of Autoimmune Diseases Act of 1999." This legislation is intended to enhance the Federal government's research on autoimmune diseases and disorders. Most importantly, the Act highlights the urgency of treating autoimmune diseases as a priority women's health issue.
